MEDIA CONTACT: Alyssa Griffiths, Public Information Coordinator

Huntington Beach, CA: In the Education Code it is a school district's responsibility to protect student records, as well as to be of personal support to their families. We want to thank the family of the student who came to the aid of his fellow classmate, as they have granted us permission to share the following information:

Their student has not been suspended over the past two school days. He has been eligible to attend school with all privileges both Thursday and Friday of this week, and this eligibility will continue.
